Dear Friend,

As immediate past-President and one of the original board members of the Friends of the Rockville Branch Library, I am writing to enlist your support. The Pamunkey Regional Library System envisions Cochrane Rockville Library as the unofficial hub of our community and we are so fortunate to have such an outstanding hub and staff in our midst. The Friends supports your local library in so many ways. Many of the programs presented are funded at least in part if not in their entirety by our Friends group.

You can support our group and ultimately our library in many ways. First and foremost, please **encourage your family, friends, and neighbors to become a member of the Friends**. Check with library staff or visit our website for more information <http://www.pamunkeylibrary.org/rockville.htm> . Secondly, please **consider serving on our Board of Directors**. There are four meetings per year and an annual meeting each with a small time commitment. . You may take on small projects or assist with larger ones as you are able. Additionally, **make a donation of your time or money**. Please contact me if you are willing to assist with our projects.

Your contribution to this group is greatly appreciated whether it is by paying your membership dues and increasing our base of support, becoming a Board member, working on a special project, or in any small way. The community hub, our library, and your Friends group need your support!

In Friendship,

Carolyn
